Jaunpur,
Uttarpradesh, India

Intermediate (12th)
Prasad International School
61.6%

2022 – 2023
Jaunpur ,
Uttarpradesh, India

TECHNICAL SKILLS

Languages
C, C++, JavaScript, Python

Web Technologies
HTML, CSS, Node.js, Express.js, MongoDB, React
(MERN Stack)

Concepts
Logic Building, Object-Oriented Programming,
Database Management

Tools & Platforms
VS Code, Git, Canva, Cursor, Windsurf, Google Cloud

PROJECTS

Stumdiey - Learning Platform

A Node.js and MongoDB-based web app with authentication, admin panel, and persistent sessions.

Integrated Nodemailer for email verification. Built specially for students to access notes, PYQs, and assignments easily.

StudyMates - React Native Learning & Collaboration App

A platform connecting aspirants preparing for similar exams locally or online. Offers smart matchmaking, Pomodoro sessions, leaderboards, and group study rooms.

Tech Stack: React Native, Node.js/Express or Firebase, MongoDB/Firestore.

LetAsk - Mentorship & Guidance Platform

A two-level mentorship system: Pre-Mentor (unpaid) and Professional Mentor (paid). Features AI-based mentor matching, in-app text chat, and payment system.

Tech Stack: Next.js, Tailwind CSS, Node.js, Express, MongoDB, basic AI (TF-IDF + cosine similarity).

CERTIFICATIONS & PARTICIPATION

- Certificate of Participation – Hackatron, Infotsav'25 (ABV–IIITM Gwalior via Unstop)
- Python for Beginners – Coursera
- Web Development Bootcamp – FreeCodeCamp
- Certificate For Runner Up - Hackathon, Techkriti'25 (Kashi Institute of Technology)

STRENGTHS

Strong Logical Thinking, Problem Solving & Teamwork, Quick Learner, Self-Motivated, Focused and Goal-Oriented

HOBBIES

Fitness & Gym, Designing, Exploring Tech Innovations
